CERTIFICATE OF LISTING

IAPMO Research and Testing, Inc. is a product certification body which tests and inspects samples taken from the supplier's stock or from the market or a combination of both to verify compliance to the requirements of applicable codes and standards. This activity is coupled with periodic surveillance of the supplier's factory and warehouses as well as the assessment of the supplier's Quality Assurance System. This listing is subject to the conditions set forth in the characteristics below and is not to be construed as any recommendation, assurance or guarantee by IAPMO Research and Testing, Inc. of the product acceptance by Authorities Having Jurisdiction.

The most updated information on this Certificate of Listing is available online at pld.iapmo.org

Effective Date: January 2017

Void After: January 2018

Product: ABS-DWV PIPE (CELLULAR CORE)

File No. 2723

Issued To: Plastic Services & Products, LLC.
1760 W. 1900 S. #1
Salt Lake City, UT 84104

Identification: The pipe shall be marked with letters not less than 3/16" (5mm) high in a contrasting color placed at intervals not more than 5' with the following information: Manufacturer's name (or trademark), "ASTM F628", "COEXTRUDED ABS CELLULAR CORE DWV", nominal pipe size, manufacturer's code for resin manufacture, lot number, date of manufacture, and the cUPC® certification mark.

Characteristics: A rigid plain end Schedule 40 black pipe made from an ABS (Acrylonitrile-Butadiene-Styrene) compound. The pipe is coextruded with concentric inner and outer solid ABS layers and a core consisting of closed cell cellular ABS. To be used with IAPMO listed ABS-DWV fittings and solvent cement. Installation to comply with the latest editions of the Uniform Plumbing Code.

Products listed on this certificate have been tested by an IAPMO R&T recognized laboratory. This recognition has been granted based upon the laboratory's compliance to the applicable requirements of ISO/IEC 17025.

Chairman, Product Certification Committee

CEO, The IAPMO Group

This listing period is based upon the last date of the month indicated on the Effective Date and Void After Date shown above. Any change in material, manufacturing process, marking or design without having first obtained the approval of the Product Certification Committee, or any evidence of non-compliance with applicable codes and standards or of inferior workmanship, may be deemed sufficient cause for revocation of this listing. Production of or reference to this form for advertising purposes may be made only by specific written permission of IAPMO Research and Testing, Inc. Any alteration of this certificate could be grounds for revocation of the listing. This document shall be reproduced in its entirety.
